Day 3 – Hit the Greens

The golf course at Canouan Estate Resort & Villas is a spectacular Jim Fazio designed 18 hole 72-par championship Golf Course. It is one of the Caribbean's most exciting and challenging course and has been named in the Top 10 of "Best Golf Courses" in the world. A hundred and fifty undulating acres of dramatic hills and seashore, with breathtaking sea views from every angle. The golf course has three distinct settings. The front nine holes and #18 are in an amphitheater setting with one side open ocean views. Holes 12, 13, 14 and 15 are undoubtedly the most scenic holes on the course and the most challenging. They sit on the top of the ridge and have a spectacular view of the neighboring islands. Hole 16 features the longest par 3 in the world at 305 yards. The breeze at the top of the ridge adds to the challenge, but makes these holes the most sensational to play.

For beginners or new players to the game who have an interest in learning, book a lesson or a package of lessons to better your game.

Day 4 – A day on the water

Venture out to sea with a half-day or full-day trip on the water. Tobago Cays is a haven for SCUBA divers and snorkelers and a paradise for beachcombers. The Cays have been declared a wildlife reserve and offer the opportunity to swim and snorkel in complete seclusion. The northern Grenadines Islands (Bequia & Mustique) also offer spectacular beaches, great snorkeling and diving spots to explore.
