July 2020

## COVID-19 Updates

As we all continue to face the COVID-19 crisis, borders have begun to slowly open up in the Caribbean and that includes St. Vincent and the Grenadine Islands.

Our number one priority is the well-being and safety of our guests and team members. To ensure just that, we have implemented strict guidelines and protocols across all departments regarding enhanced cleaning and sanitization, physical distancing guidelines and allocation of personal protective equipment for all guests and team members is in place.

Effective July 1<sup>st</sup>, 2020, the government no longer requires a mandatory 14-day quarantine period upon arrival, but they have implemented new protocols for entry to the islands for the month of July and August 2020.

A two-phase approach is in place. All arrivals to St. Vincent and the Grenadine Islands in the month of July will be tested for COVID-19 and must complete a questionnaire. Phase 2 testing will depend on your country of residence.

Please read these important new protocols found on the St. Vincent and the Grenadines Ministry of Health, Wellness and Environment website at: <http://health.gov.vc/health/index.php/covid-19-protocols-documents>

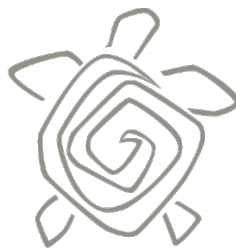

## Rebranding

We have more exciting new news as we have officially changed the name of the resort from Canouan Estate Villas and Residences to:

### Canouan Estate Resort & Villas

We chose this name as we wanted to reflect the fact that we are a full-service resort, with four restaurants and bars, 18-hole golf-course, tennis-courts, hiking, non-motorized watersports, four beaches, complimentary kids and teens club, fitness center, we have all amenities you would find at a world class resort.

With the new branding, we needed a new logo, and as the name Canouan comes from the Arawak word for “Island of Turtles”, it seemed apt to use a turtle as our official logo, we hope you like it.

### Cocktail of the Month

And finally, as the United States is celebrating its 4<sup>th</sup> July Independence Celebrations this week, I thought we should find a celebratory cocktail perfect for those hot, summer days ahead!

#### Five Finger Cobbler

This Cobbler is a twist on classic sherry cobbler. It is an excellent concoction to quench your thirst when you're enjoying Caribbean sun.

1.5 oz. Rose wine

1oz. Red vermouth

1oz. Cassis

0.5oz Lemon Juice

3 slices Star fruit

Garnish with a slice of starfruit and mint sprig

Muddle 2 slices of star fruit in the bottom of your shaker tin, add the rest of your ingredients and shake vigorously with ice.

Strain into a tall hurricane glass filled with crushed ice.

Garnish with slice of star fruit and sprig of mint.

Enjoy!

Happy 4<sup>th</sup> of July USA!
